

Curriculum Vitae

Name: Koba Shanava

Date of Birth: 07.12.1980

Nationality: Georgian

Spoken Languages: Georgian, English, Russian

Academic Position: Professor of Surgery / Ilia State University

Contact Information:

Tel: +99592860404

Email: kobashanava@gmail.com

Education: Tbilisi Medical Institute, Faculty of Medicine

2011- General surgery specialty exam

2014- Oncosurgery specialty exam

2014- Transplantology specialty exam

2019- PhD in Medical Science

Special Courses:

2005 - Special Course in emergency medicine and first aid, Tbilisi, Georgia

2010- Course in laparoscopic surgery, Pecs, Hungary

Working Experience:

2003-2005 - Lecturer-Assistant at the Department of Normal Anatomy, Tbilisi Medical Academy.

2006 - Senior Teacher at the Department of Normal Anatomy, Tbilisi Medical Academy.

2004 - Researcher at Tbilisi Medical Academy.

2007 - Lecturer-Assistant at the Department of Clinical anatomy, Tbilisi State Medical University.

2008-2010. Researcher at the Department of Surgical Research and Techniques, Pecs

University, Faculty of Medicine (Hungary).

2011- Lecturer-Assistant at the Department of Clinical anatomy at Tbilisi State Medical University.

2011- Head of the Clinical and Experimental Medicine Teaching and Research Center of Grigol Robakidze University. Tbilisi, Georgia.

2011- Visiting Surgeon at the Department of Surgery, Klinikum Rechts der Isar, University of Technology Munich, Germany.

2012- General Surgeon at N. Kipshidze`s Central University Clinic (currently).

2012- Program Coordinator of Laparoscopic Surgery, at the Postgraduate Department of Tbilisi State Medical University (currently).

2013- Visiting Surgeon at the Hôpital Paul-Brousse Center of Hepatobiliary Surgery, Paris, France.

2014- International Scholarship Program, Seoul National University Hospital, Department of Hepato-Biliary Surgery and Liver Transplantation.

2015- Head the Department of Hepatopancreatobiliary Surgery and Transplantation at Aversi Clinic.

2018- Head of the Department of Hepatopancreatobiliary Surgery and Transplantation, at Innova Medical Center.

2019- Head of Department of Surgery and Transplantation, at Iv. Bokeria Tbilisi University Hospital, Evexi Hospitals (currently).

2022 – Clinical Director of Iv. Bokeria Tbilisi University Hospital, Evexi Hospitals (currently).

Membership:

The Georgian Society of Transplantation (GSOT), President (2018-currently).

The European Society for Organ Transplantation (ESOT).

The European Liver and Intestine Transplant Association (ELITA).

The European Kidney Transplant Association (EKITA).

Awards:

2001 - Diploma awarded by the Tbilisi State Medical Academy for active participation in scientific-research activities of the Department of Clinical Anatomy and Operative Surgery, Tbilisi, Georgia.

2008-2010- Scholarship of Medical University of Pecs (Hungary).

Scientific Publications:

1. [Protective effects of postconditioning in transvaginally created pneumoperitoneum](#)

K Shanava, S Javor, V Kerkadze, I Abiatari, G Weber
Experimental and therapeutic medicine 19 (6), 3861-3866

2. **Long-term survival in a patient with low-level inflammatory markers and liver metastasis, converted resectable by TACE**
M Mizandari, N Paksashvili, N Kikodze, T Azrumelashvili, I Pantsulaia, ...
Immunotherapy 9 (13), 1067-1069
3. **An isolated venous sac as a suitable place for pancreatic islet transplantation**
E Berishvili, Z Kakabadze, C Ricordi, AM Shapiro, S Gupta, K Shanava
4. **Bone Marrow Mononuclear Cell Intracoronary Transplantation in Patients with Chronic Ischemic Cardiomyopathy: 1091**
K Shanava, Z Kakabadze, N Kipshidze, E Berishvili
Transplantation 94 (10S), 1012
5. **Transplantation of Liver Microfragments on Synthetic Capsules vs Hepatocytes Transplantation on Biodegradable Polymer Scaffolds: 1135**
K Chutkerashvili, I Amiranashvili, K Shanava, G Chutkerashvili, ...
Transplantation 94 (10S), 1010
6. **Transplantation of Pancreatic Islets Into the Isolated Venous Sac for the Treatment of Type I Diabetes Mellitus: 1080**
E Berishvili, K Shanava, C Ricordi, AJ Shapiro, S Gupta, Z Kakabadze
Transplantation 94 (10S), 704
7. **An isolated venous sac as a novel site for cell therapy in diabetes mellitus**
Z Kakabadze, K Shanava, C Ricordi, AMJ Shapiro, S Gupta, E Berishvili
Transplantation 94 (4), 319
8. **Preconditioning is a method that may reduce the negative side-effect of pneumoperitoneum**
SZ Jávör, K Shanava, E Hocsák, M Kürthy, J Lantos, B Borsiczky, I Takács, ...
Interventional Medicine and Applied Science 2 (3), 115-120
9. **Transgastric small bowel resection by using hybrid technique—Experimental study**
K Shanava, S Horváth, F Karl-Hermann, S Jávör, I Takács, B Balatonyi, ...
Interventional Medicine and Applied Science 2 (3), 126-130
10. **Examination of protective effect of ischemic postconditioning after small bowel autotransplantation**
A Ferencz, I Takacs, S Horváth, S Ferencz, S Jávör, T Fekecs, K Shanava, ...
Transplantation proceedings 42 (6), 2287-2289
11. **Transgastric and transvaginal interventions with hybrid NOTES-animal study: P1N-2**
S Horváth, K Fuchs, I Takács, S Jávör, B Balatonyi, A Ferencz, S Ferencz, ...
British Journal of Surgery 97
12. **Precondition can reduce surgical stress following laparoscopic procedures: P1N-3**
S Jávör, K Shanava, S Horváth, I Takács, B Balatonyi, S Ferencz, ...
British Journal of Surgery 97
13. **The effects of post-conditioning during the creation of pneumoperitoneum: P1N-4**
K Shanava, S Javor, S Horvath, I Takacs, B Balatonyi, S Ferencz, ...
British Journal of Surgery 97
14. **Effect of ischemic postconditioning on the oxidative stress and tissue injury in the intestinal warm ischemia/reperfusion model: P1A-7**
A Ferencz, I Takács, S Horváth, S Ferencz, S Jávör, T Fekecs, K Shanava, ...
British Journal of Surgery 97
15. **Treatment of obstruction of extrahepatic biliary pathways by antireflux, bilio-cholecystic (cystico) enteroanastomosis methods**

NM Mzareulishvili, TI Akhmeteli, K ZSh, KN Shanava, ZT Lursmanashvili
Georgian medical news, 84-86

16. **TOXIC ACUTE LIVER FAILURE TREATMENT BY ISOLATED HEPATOCYTES
ALLOTRANSPLANTATION IN EXPERIMENTAL**

E Kurdadze, N Lobdjanidze, L Sujashvili, D Topuria, K Shanava
GEORGIAN MEDICAL, 105

17. **The Liver Graft Adaptation to the Early Hepatic Artery Occlusion after Living
Donor Liver Transplantation Case Report**

K Shanava, YR Choi, N Ubiria, K Quntelia, T Khutsishvili, M Janelidze, ...
