## Brief Introduction

Prof Mohamed Rela, is a liver transplant surgeon with over 25 years of experience in the field. He has been a consultant surgeon at the Kings liver unit since 1993. He has been working in India since 2009 and now runs the busiest liver transplantation program in South India, performing over 200 liver transplants each year. He has authored over 600 peer-reviewed publications and a number of book chapters including a chapter in the latest edition of Gray's Anatomy. The annual Master Class in Liver Disease series started by him in 2011 is one of the most popular academic events in South Asia, regularly attended by over a 1000 delegates from most South Asian countries. He is currently the President of the International Liver Transplantation Society (ILTS)
